Molecular Devices: DigiData 1440 digitizer

RRID:SCR_021038

Type: Tool

Proper Citation

Molecular Devices: DigiData 1440 digitizer (RRID:SCR_021038)

Resource Information

URL:

Proper Citation: Molecular Devices: DigiData 1440 digitizer (RRID:SCR_021038)

Description: Digitizer for electrophysiology experiments, to send and receive signals from microelectrode amplifiers, and to interact with peripheral instruments such as solution changers and stimulators. High resolution, low noise digitizer intended for precision scientific applications. Digidata 1440A digitizer communicates with the host computer using USB 2.0. It is plug and play device, so it is automatically recognized by Windows.

Synonyms: Digidata 1440A, DigiData 1440

Resource Type: instrument resource

Keywords: Electrophysiology experiments digitizer, microelectrode amplifiers signal, instrument, equipment, USEEdit

Availability: Commercially available

Resource Name: Molecular Devices: DigiData 1440 digitizer

Resource ID: SCR_021038

Alternate IDs: Model_Number_1440A

Record Creation Time: 20220129T080353+0000

Record Last Update: 20260912T195950+0000

Ratings and Alerts

No rating or validation information has been found for Molecular Devices: DigiData 1440 digitizer.

No alerts have been found for Molecular Devices: DigiData 1440 digitizer.
