## LEA

RRID:SCR\_022020

Type: Tool

---

### Proper Citation

LEA (RRID:SCR\_022020)

---

### Resource Information

**URL:** <http://membres-timc.imag.fr/Olivier.Francois/LEA/index.htm>

**Proper Citation:** LEA (RRID:SCR\_022020)

**Description:** Software R package for landscape and ecological associations studies. Dedicated to genomewide association tests in general, with emphasis on association with ecological gradients. Runs analyses of population structure and scans for genomic signatures of local adaptation.

**Synonyms:** Landscape and Ecological Associations

**Resource Type:** software resource, software toolkit

**Defining Citation:** [DOI:10.1111/2041-210X.12382](https://doi.org/10.1111/2041-210X.12382)

**Keywords:** genomewide association tests, estimating ancestry coefficients, large genotypic matrices, evaluating number of ancestral populations, performing population differentiation tests of neutrality, identifying genetic polymorphisms

**Availability:** Free, Available for download, Freely available

**Resource Name:** LEA

**Resource ID:** SCR\_022020

**Alternate URLs:** <https://github.com/bcm-uga/LEA>,  
<https://bioconductor.org/packages/LEA/>

**License:** GPL v3

**Record Creation Time:** 20220421T050138+0000

**Record Last Update:** 20260829T183121+0000

---

### Ratings and Alerts

No rating or validation information has been found for LEA.

No alerts have been found for LEA.
