Colorado School of Mines Shared Instrumentation Facility Electron and Scanning Probe Microscopy Core Facility

RRID:SCR_022048
Type: Tool

Proper Citation

Colorado School of Mines Shared Instrumentation Facility Electron and Scanning Probe Microscopy Core Facility (RRID:SCR_022048)

Resource Information

URL: https://www.mines.edu/shared-facilities/cores/#EM

Proper Citation: Colorado School of Mines Shared Instrumentation Facility Electron and Scanning Probe Microscopy Core Facility (RRID:SCR_022048)

Description: Facility provides SEM, FIB, TEM, scanning probe, and optical techniques for analyzing materials.

Synonyms: Electron & Scanning Probe Microscopy, Colorado School of Mines Shared Instrumentation Facility Electron and Scanning Probe Microscopy

Resource Type: core facility, service resource, access service resource

Keywords: USEDit, ABRF

Funding:

Availability: open

Resource Name: Colorado School of Mines Shared Instrumentation Facility Electron and Scanning Probe Microscopy Core Facility

Resource ID: SCR_022048

Record Creation Time: 20220421T050138+0000

Record Last Update: 20250517T060456+0000

Ratings and Alerts

No rating or validation information has been found for Colorado School of Mines Shared Instrumentation Facility Electron and Scanning Probe Microscopy Core Facility.

No alerts have been found for Colorado School of Mines Shared Instrumentation Facility Electron and Scanning Probe Microscopy Core Facility.

Data and Source Information
