Proper Citation: University of Pennsylvania Perelman School of Medicine Radioimmunoassay and Biomarkers Core Facility (RRID:SCR_022405)

Description: Core offers immunoassay, metabolite, and HPLC services to basic, translational, and clinical investigators performing diabetes and related metabolic disease research. RIA /Biomarkers Core is located on the 12th floor of Smilow Center for Translational Research. Approximately 100 different diabetes, obesity and metabolism-related biomarkers from multiple species including human can be assayed using radioimmunoassay (RIA), enzyme-linked immunosorbent assay (ELISA, both absorbance and fluorometric), multiplex ELISA on the Luminex platform, and enzymatic and HPLC methods for an expanding variety of diabetes and metabolism related metabolites, hormones, catecholamines and cytokines derived from blood, urine, and tissue samples.

Synonyms: Radioimmunoassay and Biomarkers Core Facility, RIA/Biomarkers Core, University of Pennsylvania Perelman School of Medicine Radioimmunoassay and Biomarkers Core Facility

Resource Type: access service resource, core facility, service resource

Keywords: USEDit, ABRF

Resource Name: University of Pennsylvania Perelman School of Medicine Radioimmunoassay and Biomarkers Core Facility

Resource ID: SCR_022405

Alternate IDs: ARBF_1415

Alternate URLs: <https://coremarketplace.org?citation=1&FacilityID=1415>
