University of Pennsylvania Perelman School of Medicine Tumor Tissue Biospecimen Bank Core Facility

RRID:SCR_022430

Type: Tool

Proper Citation

University of Pennsylvania Perelman School of Medicine Tumor Tissue Biospecimen Bank Core Facility (RRID:SCR_022430)

Resource Information

URL: <https://pathology.med.upenn.edu/research/core-resources/tumor-tissue-biospecimen-bank>

Proper Citation: University of Pennsylvania Perelman School of Medicine Tumor Tissue Biospecimen Bank Core Facility (RRID:SCR_022430)

Description: Centralized biorepository of human biosamples. TTAB is responsible for the collection, processing, and storage of human blood, fluid, and tissue at the University of Pennsylvania Health System. TTAB has a collection bench within Surgical Pathology Suite at Hospital of University of Pennsylvania (HUP).? Our collection bench sits adjacent to frozen section teams managing clinical sample collection and allowing for tight integration of tissue sample collection with clinical pathology teams.

Abbreviations: TTAB

Synonyms: Tumor Tissue/Biospecimen Bank (TTAB), University of Pennsylvania Perelman School of Medicine Tumor Tissue/Biospecimen Bank (TTAB)

Resource Type: access service resource, biobank, core facility, material storage repository, service resource, storage service resource

Keywords: USEDit, ABRF, biorepository

Resource Name: University of Pennsylvania Perelman School of Medicine Tumor Tissue Biospecimen Bank Core Facility

Resource ID: SCR_022430

Alternate IDs: ARBF_1435

Alternate URLs: <https://coremarketplace.org?citation=1&FacilityID=1435>

Record Creation Time: 20220602T050140+0000

Record Last Update: 20260829T182819+0000

Ratings and Alerts

No rating or validation information has been found for University of Pennsylvania Perelman School of Medicine Tumor Tissue Biospecimen Bank Core Facility.

No alerts have been found for University of Pennsylvania Perelman School of Medicine Tumor Tissue Biospecimen Bank Core Facility.
