BioMérieux NucliSens easyMAG system

RRID:SCR_022666 Type: Tool

Proper Citation

BioMérieux NucliSens easyMAG system (RRID:SCR_022666)

Resource Information

URL: https://www.biomerieux-usa.com/clinical/nuclisens-easymag

Proper Citation: BioMérieux NucliSens easyMAG system (RRID:SCR_022666)

Description: System for total nucleic acid extraction from variety of sample types and volumes. System automates enhanced magnetic silica version of bioMérieux's proprietary BOOM technology gold standard for universal extraction of RNA and DNA.Clinical use includes nucleic acid extraction in front of molecular infectious disease assays, molecular oncology assays, molecular genetics assays.

Synonyms: BioMérieux NucliSens easyMAG, BioMérieux NucliSens R easyMAG

Resource Type: instrument resource

Keywords: BioMérieux, total nucleic acid extraction, extraction of RNA and DNA, USEDit, instrument, equipment

Funding:

Availability: Restricted

Resource Name: BioMérieux NucliSens easyMAG system

Resource ID: SCR_022666

Record Creation Time: 20220811T050155+0000

Record Last Update: 20250420T015231+0000

Ratings and Alerts

No rating or validation information has been found for BioMérieux NucliSens easyMAG system.

No alerts have been found for BioMérieux NucliSens easyMAG system.

Data and Source Information
