Proper Citation: Design-Expert (RRID:SCR_022671)

Description: Statistical software package from Stat-Ease Inc. to perform design of experiments. Offers comparative tests, screening, characterization, optimization, robust parameter design, mixture designs and combined designs.

Resource Type: data analytics software, software application, software resource

Keywords: Stat-Ease Inc., experiments design, comparative tests, screening, characterization, optimization, parameter design, mixture designs, combined designs

Availability: Restricted

Resource Name: Design-Expert

Resource ID: SCR_022671

Record Creation Time: 20220816T050146+0000

Record Last Update: 20260829T183123+0000
