philentropy

RRID:SCR_022805 Type: Tool

Proper Citation

philentropy (RRID:SCR_022805)

Resource Information

URL: https://CRAN.R-project.org/package=philentropy

Proper Citation: philentropy (RRID:SCR_022805)

Description: Software R package for similarity and distance quantification between probability functions. Information Theory and Distance Quantification with R. Provides framework for clustering, classification, statistical inference, goodness-of-fit, non-parametric statistics, information theory, and machine learning tasks that are based on comparing univariate or multivariate probability functions.

Resource Type: software resource, software toolkit

Defining Citation: DOI:10.21105/joss.00765

Keywords: similarity and distance quantification between probability functions, similarity and distance quantification, probability functions

Funding:

Availability: Free, Available for download, Freely available

Resource Name: philentropy

Resource ID: SCR_022805

Alternate URLs: https://github.com/drostlab/philentropy

License: GNU GPL v2.0

Record Creation Time: 20220929T050157+0000

Record Last Update: 20250525T032608+0000

Ratings and Alerts

No rating or validation information has been found for philentropy.

No alerts have been found for philentropy.

Data and Source Information
