North Carolina Diabetes Research Center Genomics and Proteomics Core Facility

RRID:SCR_022907 Type: Tool

Proper Citation

North Carolina Diabetes Research Center Genomics and Proteomics Core Facility (RRID:SCR_022907)

Resource Information

URL: https://ncdiabetesresearch.org/genomics

Proper Citation: North Carolina Diabetes Research Center Genomics and Proteomics Core Facility (RRID:SCR_022907)

Description: Provides resources and expertise in genomics and mass spectrometry at Wake Forest Center for Precision Medicine. Provides unique access to instrumentation and analytical expertise to NCDRC faculty in support of advancement of diabetes research. Overlooks the use of existing resources at NCDRC partner institutions (UNC, NC A&T, and Duke University) to coordinate work and data analysis with Metabolomics Core to provide omics analyses. Offers analytic services, expertise, and tools to integrate data to better understand interactive systems at play in disease processes.

Abbreviations: NCDRC GPC, GPC

Synonyms: North Carolina Diabetes Research Center Genomics and Proteomics Core

Resource Type: core facility, service resource, access service resource

Keywords: ABRF, USEDit, genomics and mass spectrometry expertise

Funding: NIDDK P30DK124723

Resource Name: North Carolina Diabetes Research Center Genomics and Proteomics Core Facility

Resource ID: SCR_022907

Record Creation Time: 20221021T050200+0000

Record Last Update: 20250517T060522+0000

Ratings and Alerts

No rating or validation information has been found for North Carolina Diabetes Research Center Genomics and Proteomics Core Facility.

No alerts have been found for North Carolina Diabetes Research Center Genomics and Proteomics Core Facility.
