## Seattle Alzheimer Disease Brain Cell Atlas

RRID:SCR\_023110

Type: Tool

### Proper Citation

Seattle Alzheimer Disease Brain Cell Atlas (RRID:SCR\_023110)

### Resource Information

**URL:** <https://portal.brain-map.org/explore/seattle-alzheimers-disease>

**Proper Citation:** Seattle Alzheimer Disease Brain Cell Atlas (RRID:SCR\_023110)

**Description:** Open atlas based on single cell profiling technologies with quantitative neuropathology and deep clinical phenotyping from middle temporal gyrus from neurotypical reference brains and brains from SEA-AD aged cohort that span spectrum of Alzheimer's disease. Produced via collaboration between Allen Institute for Brain Science, University of Washington Alzheimer Disease Research Center and Kaiser Permanente Washington Health Research Institute.

**Abbreviations:** SEA-AD

**Resource Type:** data or information resource, atlas

**Keywords:** Alzheimer's disease, single cell profiling, quantitative neuropathology, deep clinical phenotyping, middle temporal gyrus, neurotypical reference brains, SEA-AD aged cohort brains,

**Related Condition:** Alzheimer's disease

**Funding:** NIA U19AG060909

**Availability:** Free, Freely available

**Resource Name:** Seattle Alzheimer Disease Brain Cell Atlas

**Resource ID:** SCR\_023110

**Record Creation Time:** 20230116T062750+0000

**Record Last Update:** 20250409T061848+0000
