## University of Pittsburgh Medical Center Children Hospital of Pittsburgh Health Sciences Sequencing Core Facility

RRID:SCR\_023116

Type: Tool

### Proper Citation

University of Pittsburgh Medical Center Children Hospital of Pittsburgh Health Sciences Sequencing Core Facility (RRID:SCR\_023116)

### Resource Information

**URL:** <http://www.nextgen.pitt.edu>

**Proper Citation:** University of Pittsburgh Medical Center Children Hospital of Pittsburgh Health Sciences Sequencing Core Facility (RRID:SCR\_023116)

**Description:** Sequencing Core offers Illumina next generation sequencing services to University of Pittsburgh research community. Offers expertise in next generation sequencing technologies. Encourages to contact Assistant Director to arrange for consultation. Staff is available to share their experience and expertise to assist with development of projects of all sizes, standard or custom assay design, and other specialized application needs.

**Synonyms:** Health Sciences Sequencing Core at UPMC Children Hospital of Pittsburgh, University of Pittsburgh Health Sciences Sequencing Core at UPMC Children Hospital of Pittsburgh

**Resource Type:** service resource, core facility, access service resource

**Keywords:** USEDit, ABRF, Illumina next generation sequencing services, next generation sequencing

**Availability:** Restricted

**Resource Name:** University of Pittsburgh Medical Center Children Hospital of Pittsburgh Health Sciences Sequencing Core Facility

**Resource ID:** SCR\_023116

**Alternate IDs:** ABRF\_1663

**Alternate URLs:** <https://coremarketplace.org/?FacilityID=1663&citation=1>

**Record Creation Time:** 20230116T062750+0000

**Record Last Update:** 20260807T043005+0000

---

## Ratings and Alerts

No rating or validation information has been found for University of Pittsburgh Medical Center Children Hospital of Pittsburgh Health Sciences Sequencing Core Facility.

No alerts have been found for University of Pittsburgh Medical Center Children Hospital of Pittsburgh Health Sciences Sequencing Core Facility.
