Resource Information

URL: <https://github.com/kjolley/BIGSdb>

Proper Citation: BIGSdb (RRID:SCR_023551)

Description: Platform for gene-by-gene bacterial population annotation and analysis. Designed to store and analyse sequence data for bacterial isolates. Used for scalable analysis of bacterial genome variation at population level.

Synonyms: Bacterial Isolate Genome Sequence Database

Resource Type: data or information resource, database

Defining Citation: [PMID:21143983](#)

Keywords: sequence data, bacterial isolates, gene-by-gene bacterial population, annotation and analysis, bacterial genome variation,

Funding: Wellcome Trust

Availability: Free, Freely available

Resource Name: BIGSdb

Resource ID: SCR_023551

Alternate URLs: <https://bigsdbs.readthedocs.io/en/latest/>

License: GNU GPL

Record Creation Time: 20230510T050220+0000

Record Last Update: 20260905T133219+0000

Ratings and Alerts

No rating or validation information has been found for BIGSdb.
