University of California Berkeley QB3 Cell and Tissue Analysis Core Facility

RRID:SCR_023741

Type: Tool

Proper Citation

University of California Berkeley QB3 Cell and Tissue Analysis Core Facility
(RRID:SCR_023741)

Resource Information

URL: <https://qb3.berkeley.edu/facility/ctaf-htsf/>

Proper Citation: University of California Berkeley QB3 Cell and Tissue Analysis Core Facility (RRID:SCR_023741)

Description: Facility provides cell culture equipment and instrumentation needed to grow and assess mammalian cells including flow cytometry, automated epifluorescence, confocal, and multiphoton imaging, as well as histology suite with cryosectioning equipment.

Synonyms: University of California Berkeley QB3 Cell and Tissue Analysis Facility, QB3 Cell and Tissue Analysis Facility

Resource Type: access service resource, core facility, service resource

Keywords: USEdit, ABRF, mammalian cells, cell culture equipment and instrumentation, cryosectioning, histology suite, flow cytometry, automated epifluorescence, confocal imaging, multiphoton imaging,

Resource Name: University of California Berkeley QB3 Cell and Tissue Analysis Core Facility

Resource ID: SCR_023741

Alternate IDs: ABRF_1798

Alternate URLs: <https://coremarketplace.org/?FacilityID=1798&citation=1>

Record Creation Time: 20230630T050224+0000

Record Last Update: 20260829T183326+0000

Ratings and Alerts

No rating or validation information has been found for University of California Berkeley QB3 Cell and Tissue Analysis Core Facility.

No alerts have been found for University of California Berkeley QB3 Cell and Tissue Analysis Core Facility.
