Similarity Ensemble Approach

RRID:SCR_023754

Type: Tool

Proper Citation

Similarity Ensemble Approach (RRID:SCR_023754)

Resource Information

URL: <https://sea.bkslab.org/>

Proper Citation: Similarity Ensemble Approach (RRID:SCR_023754)

Description: Web tool to relate proteins based on set wise chemical similarity among their ligands. Used to rapidly search large compound databases and to build cross target similarity maps.

Abbreviations: SEA

Resource Type: data access protocol, software resource, web service

Defining Citation: [PMID:17287757](#)

Keywords: relate proteins, chemical similarity among proteins ligands, search large compound databases, build cross target similarity maps,

Availability: Free, Freely available

Resource Name: Similarity Ensemble Approach

Resource ID: SCR_023754

Record Creation Time: 20230708T050227+0000

Record Last Update: 20260821T194243+0000

Ratings and Alerts

No rating or validation information has been found for Similarity Ensemble Approach.

No alerts have been found for Similarity Ensemble Approach.

Data and Source Information

Usage and Citation Metrics

We found 457 mentions in open access literature.

Listed below are recent publications. The full list is available at [NIF](#) .
