InsPecT

RRID:SCR_024038 Type: Tool

Proper Citation

InsPecT (RRID:SCR_024038)

Resource Information

URL: http://proteomics.ucsd.edu/Software/Inspect/

Proper Citation: InsPecT (RRID:SCR_024038)

Description: Software tool to addresses several algorithmic problems in order to identify modified proteins.Software MS/MS database search tool specifically designed to address two crucial needs of the proteomics comminuty: post-translational modification identification and search speed.

Synonyms: Inspect, inspect

Resource Type: software resource, software application

Defining Citation: PMID:16013882

Keywords: addresses algorithmic problems, identify modified proteins, post-translational modification identification,

Funding:

Availability: Free, Available for download, Freely available,

Resource Name: InsPecT

Resource ID: SCR_024038

Alternate IDs: OMICS_02397

Old URLs: https://sources.debian.org/src/inspect/

Record Creation Time: 20230824T050211+0000

Record Last Update: 20250421T054508+0000

Ratings and Alerts

No rating or validation information has been found for InsPecT.

No alerts have been found for InsPecT.
