# bio3d

RRID:SCR\_024266 Type: Tool

**Proper Citation** 

bio3d (RRID:SCR\_024266)

### **Resource Information**

URL: https://cran.r-project.org/web/packages/bio3d/index.html

Proper Citation: bio3d (RRID:SCR\_024266)

**Description:** Softwar R package for comparative analysis of protein structures. Used to process, organize and explore protein structure, sequence and dynamics data. Used to read and write structure, sequence and dynamic trajectory data, perform sequence and structure database searches, data summaries, atom selection, alignment, superposition, rigid core identification, clustering, torsion analysis, distance matrix analysis, structure and sequence conservation analysis, normal mode analysis, principal component analysis of heterogeneous structure data, and correlation network analysis from normal mode and molecular dynamics data. Enables statistical and graphical power of R environment to work with biological sequence and structural data.

Synonyms: r-cran-bio3d, bio3d: Biological Structure Analysis

Resource Type: software toolkit, software resource

Defining Citation: PMID:16940322

**Keywords:** comparative analysis of protein structures, process protein structure, organize and explore protein structure, sequence and dynamics data,

#### Funding:

Availability: Free, Available for download, Freely available,

Resource Name: bio3d

Resource ID: SCR\_024266

Alternate IDs: OMICS\_12577

Alternate URLs: https://sources.debian.org/src/r-cran-bio3d/

License: GPL-2 | GPL-3 [expanded from: GPL (? 2)]

Record Creation Time: 20230830T050217+0000

Record Last Update: 20250425T060601+0000

### **Ratings and Alerts**

No rating or validation information has been found for bio3d.

No alerts have been found for bio3d.

### Data and Source Information
