Proper Citation: Evalue (RRID:SCR_024506)

Description: Web application as E-value calculator that compute E-values for variety of outcome measures, including risk ratios, odds ratios, rate ratios, risk differences, hazard ratios, and standardized mean differences.

Resource Type: source code, web application, software resource

Defining Citation: [PMID:29912013](#)

Keywords: E-value calculator, compute E-values for variety of outcome measures,

Availability: Free, Available for download, Freely available

Resource Name: Evalue

Resource ID: SCR_024506
