University of Pittsburgh Health Sciences Mass Spectrometry Core Facility

RRID:SCR_025222

Type: Tool

Proper Citation

University of Pittsburgh Health Sciences Mass Spectrometry Core Facility
(RRID:SCR_025222)

Resource Information

URL: <https://msc.pitt.edu/>

Proper Citation: University of Pittsburgh Health Sciences Mass Spectrometry Core Facility (RRID:SCR_025222)

Description: Health Sciences Mass Spectrometry Core provides liquid chromatography high resolution mass spectrometry (LC-HRMS) services for metabolomics, lipidomics and proteomics. Expert staff provide assistance throughout the full lifespan of all projects from experimental design and sample preparation through statistical analysis and interpretation of datasets.

Synonyms: Health Sciences Mass Spectrometry Core

Resource Type: access service resource, core facility, service resource

Keywords: ABRF, liquid chromatography high resolution mass spectrometry services, metabolomics, lipidomics, proteomics

Resource Name: University of Pittsburgh Health Sciences Mass Spectrometry Core Facility

Resource ID: SCR_025222

Alternate IDs: ABRF_2710

Alternate URLs: <https://coremarketplace.org/?FacilityID=2710&citation=1>

Record Creation Time: 20240405T053252+0000

Record Last Update: 20260821T194311+0000

Ratings and Alerts

No rating or validation information has been found for University of Pittsburgh Health Sciences Mass Spectrometry Core Facility.

No alerts have been found for University of Pittsburgh Health Sciences Mass Spectrometry Core Facility.
