**Proper Citation:** Indiana University School of Medicine Behavioral Phenotyping Core Facility (RRID:SCR\_025524)

**Description:** Facility where IUSM and external investigators can request studies within broad spectrum of rodent behavioral paradigms. Housed on the fourth and fifth floors of Stark Neurosciences Research Institute in the Neurosciences Research Building, the core, available to all IU School of Medicine investigators. Core validates all assays; allows for testing of pharmacological or other manipulations to study disease models; incorporates necropsy endpoints to behavioral assays as needed; provides guidance on interpretation and analysis of data.
