# University of California San Francisco Clinical Cancer Genomics Laboratory Core Facility

RRID:SCR\_026219 Type: Tool

### **Proper Citation**

University of California San Francisco Clinical Cancer Genomics Laboratory Core Facility (RRID:SCR\_026219)

## **Resource Information**

URL: https://genomics.ucsf.edu/ucsf-clinical-cancer-genomic-laboratory

**Proper Citation:** University of California San Francisco Clinical Cancer Genomics Laboratory Core Facility (RRID:SCR\_026219)

**Description:** Core performs standard-of-care and advanced molecular testing for patients with cancer, and to provides special expertise in solid tumors. Services include targeted gene sequencing, microsatellite instability testing, fluorescence in situ hybridization (FISH), and next-generation sequencing (NGS). CCGL is staffed with board-certified surgical pathologists and board-certified molecular pathologists who can properly evaluate the quality of samples submitted for testing as well as make correlations between the pathologic diagnosis of a tumor and the molecular findings in the tumor.

#### Abbreviations: CCGL

**Synonyms:** UCSF Clinical Cancer Genomics Laboratory (CCGL), University of California San Francisco Clinical Cancer Genomics Laboratory (CCGL)

Resource Type: service resource, core facility, access service resource

**Keywords:** ABRF, advanced molecular testing, patients with cancer, expertise in solid tumors, targeted gene sequencing, microsatellite instability testing, fluorescence in situ hybridization, next-generation sequencing,

#### Funding:

Resource Name: University of California San Francisco Clinical Cancer Genomics

Laboratory Core Facility

Resource ID: SCR\_026219

Alternate IDs: ABRF\_3000

Alternate URLs: https://coremarketplace.org/?FacilityID=3000&citation=1

**Record Creation Time:** 20250103T053333+0000

Record Last Update: 20250503T061317+0000

# **Ratings and Alerts**

No rating or validation information has been found for University of California San Francisco Clinical Cancer Genomics Laboratory Core Facility.

No alerts have been found for University of California San Francisco Clinical Cancer Genomics Laboratory Core Facility.
