Proper Citation: Broad Institute GDAC Firehose (RRID:SCR_026267)

Description: Born of the desire to systematize analyses from The Cancer Genome Atlas pilot and scale their execution to the dozens of remaining diseases to be studied, GDAC Firehose now sits atop terabytes of analysis-ready TCGA data and reliably executes thousands of pipelines per month.

Resource Type: data or information resource, portal, topical portal

Keywords: systematize analyses from The Cancer Genome Atlas pilot, GDAC Firehose, analysis-ready TCGA data,

Availability: Free, Freely available

Resource Name: Broad Institute GDAC Firehose

Resource ID: SCR_026267

Record Creation Time: 20250110T053324+0000

Record Last Update: 20260904T001039+0000
