Proper Citation: University of Michigan Medical School Central Biorepository Core Facility (RRID:SCR_026845)

Description: Core provides annotated biospecimens for basic, clinical, and translational research. Helps researchers access, collect, manage, and protect biospecimens using automated processes and quality control. Offers safe and monitored management of biospecimens including temperature-controlled storage, preparation of derivatives from these specimens, aliquoting, distribution, and production of specimen collection kits.

Synonyms: , University of Michigan Medical School Central Biorepository, University of Michigan Central Biorepository

Resource Type: access service resource, core facility, service resource

Keywords: ABRF, annotated biospecimens, access, collect, manage, protect biospecimens,

Availability: Restricted

Resource Name: University of Michigan Medical School Central Biorepository Core Facility

Resource ID: SCR_026845

Alternate IDs: ABRF_3210

Alternate URLs: https://coremarketplace.org/RRID:SCR_026845/?citation=1

Record Creation Time: 20250425T055457+0000

Record Last Update: 20260829T183450+0000

Ratings and Alerts

No rating or validation information has been found for University of Michigan Medical School Central Biorepository Core Facility.

No alerts have been found for University of Michigan Medical School Central Biorepository Core Facility.
