# Resource Summary Report

Generated by NIF on Aug 30, 2026

## Augusta University GCC Small Animal Imaging Core Facility

RRID:SCR_027047
Type: Tool

### Proper Citation

Augusta University GCC Small Animal Imaging Core Facility (RRID:SCR_027047)

### Resource Information

**URL:** https://www.augusta.edu/cancer/research/shared-resources/small-animal/

**Proper Citation:** Augusta University GCC Small Animal Imaging Core Facility (RRID:SCR_027047)

**Description:** Core provides preclinical imaging and radiation treatment resources for animal research.

**Synonyms:** , GCC Small Animal Imaging Core, Augusta University GCC Small Animal Imaging Core, Small Animal Imaging Resource

**Resource Type:** access service resource, core facility, service resource

**Keywords:** preclinical imaging, radiation treatment, animal research,

**Resource Name:** Augusta University GCC Small Animal Imaging Core Facility

**Resource ID:** SCR_027047

**Alternate IDs:** ABRF_3262

**Alternate URLs:** https://coremarketplace.org/RRID:SCR_027047/?citation=1

**Record Creation Time:** 20250613T054311+0000

**Record Last Update:** 20260829T183503+0000

### Ratings and Alerts

No rating or validation information has been found for Augusta University GCC Small Animal Imaging Core Facility.

No alerts have been found for Augusta University GCC Small Animal Imaging Core Facility.

## Data and Source Information

**Source:** SciCrunch Registry

## Usage and Citation Metrics

We found 2 mentions in open access literature.

**Listed below are recent publications.** The full list is available at NIF .

Lindsay J, et al. (2026) Crosstalk with bone marrow adipocytes, but not osteoblasts, drives a cortical bone resorption phenotype in female mice with adult-onset deletion of the glucocorticoid receptor in Osterix-expressing cells. JBMR plus, 10(7), ziag090.

Bennett A, et al. (2025) Glutamatergic dysfunction of astrocytes in paraventricular nucleus of thalamus contributes to adult anxiety susceptibility in adolescent ethanol exposed mice. Neuropsychopharmacology : official publication of the American College of Neuropsychopharmacology.
