Proper Citation: DescTools (RRID:SCR_027454)

Description: Software R package for descriptive statistics and exploratory data analysis. Collection of miscellaneous basic statistic functions and convenience wrappers for efficiently describing data.

Resource Type: software resource, software toolkit, source code

Keywords: statistic functions, convenience wrappers, descriptive statistics, exploratory data analysis,

Availability: Free, Available for download, Freely available

Resource Name: DescTools

Resource ID: SCR_027454
